JUNE IN JANUARY

I love each snowflake feather;
I'm glad that we're together
For any kind of weather
 Is bright with your smile.
So echo, bean and rafter,
Our hearty song and laughter,
Though parting's coming after
 A while.

Some friendly little fairy
Will trade for January
A Junetime glad and merry
 With skies ever blue,
A jolly, happy-tune time,
--A stars-and-silver-moon-time.
And that's my dream of June-time
 --And You!
